Christing the Channels

"I Call upon the Christ that I am – I stand within the Light of the Christ that I am – I ask for the Karmic Council of Light to stand within and around me – within my channels across all creation, spaces and time.

I declare my intentions of direction and purpose, I declare on behalf of My Soul and all Multi-dimensional aspects and expressions of My Soul across all creation, spaces and time that I serve the Christ Light, I Serve Father Mother God of the Holiest Light and Love, I serve the Light, I am the Christ, I am the Christ, I am the Christ, I am the Light of Christ, I am the Light of Christ, I am the Light of Christ. I stand strong and resolute within the Light of the Christ that I am.

I call upon the Christed Collective and the Source of Light and Love to realign all Multi-dimensional aspects and expressions of My Soul across all creation, spaces and time to be realigned through the Christed Energy.

I ask for the Karmic Council of Light to seal all channels across all creation, spaces and time with the Energy of the Christ Light – I ask for the Guardians of Light to place divine Christed filters and seals over the doorways to spaces not of light.

I ask the Karmic Protocols of Light to be activated within and around me – within my channels across all creation, spaces and time. I ask the Forces of Light of Heaven to cleanse my channels across all creation, spaces and time to oust those not of light and that fear and resist the light. I ask for the healing light and love of the Father and the Mother Creator of the Holiest Light to send healing love and comfort to those not of light.

I ask for those not of light to be brought into the light of Christ for those intruding upon and within my channels across all space, time and creation to be brought before the presence of the Karmic Council of Light for the Karmic Protocols to be implemented and re-enforced.

Bless them, release them and bring them to the space of light within themselves. Let them know they are still loved by the Father and the Holy Spirit of Light. ~Merlin through the Karmic Council of Light.
