

## Reclaim your Power

"I Call upon the Spirit of Holy Light and Love that I AM, I Call upon the Servant of the Holy Light and Love that I AM, I Call upon the Source of Holy Light and Love that I AM. I ask Archangel Michael and Archangel Metatron to sever and cut and remove all negative ties across all embodied lifetimes, dimensions, spaces and realities to relation to ..... (name issue) and all it's forms and sources."

I Reclaim now All of My Divine Human Spiritual Power across all embodied lifetimes, dimensions, spaces and realities to relation to ..... (name issue or theme) and all it's forms and sources."

Hold out your hands in 'moses' position and literally vacuum back your power.
